

TG Print Deliveries

TG Print offer various delivery options please see below.

Same Day Deliveries

Same day deliveries can vary between 9am – 7pm Monday – Friday. Please remember that printing takes 24 to 48 hrs and that same day delivery is not included in that timescale.

Your job will have to be completed and payment received before 14.00 on the day of delivery. If your job is completed and paid for after 14.00 then you should call the office [0208 854 7420] to see if delivery is still possible. Same day deliveries are only available to the postcodes listed. In certain circumstances we may not be able to offer same day deliveries.

If the courier arrives at the delivery address to find no one is present, we can leave the delivery on the doorstep, this is however, at your own risk. Please state if you would like this facility at the time of arranging your delivery. If the parcel needs redelivering you will be charged the full delivery cost again.

Overnight Deliveries

Overnight deliveries can vary between 8am – 6pm Monday – Friday and 8am – 12pm Saturday. Overnight delivery means next working day, there is an extra charge for a Saturday delivery. Please see price list for more details. Please remember that printing takes 24 to 48 hrs and that overnight delivery is not included in that timescale.

Your job will need to be completed and payment received before 14.00 on the day of booking in your overnight delivery. If your job is completed and paid for after 14.00 then your overnight delivery will be booked in on the following day (Friday delivery, next working day being Monday)

If the courier arrives at the address to find no one is present, they will leave the parcel in a place they think is safe, this is however, at your own risk. Please state if you would **NOT** like this facility at the time of arranging your delivery. If the courier feels there is nowhere safe for the parcel to be left the courier will leave a calling card. On the calling card you will find a number for you to call to rearrange the delivery.
